

## Agree / disagree

*Rephrase of the background phrase. Background phrase describing an opinion which is contrary to your opinion.* In contrast, this essay will put forward the notion that opinion. First, this position will be proven by an analysis of first topic sentence. A discussion of second topic sentence will also support the view stated above.

The main reason why restate the opinion is that first topic sentence. [In the first place,] Supporting sentences (~3).

Another reason why restate the opinion is that second topic sentence. Supporting sentences (~3).

In conclusion, I firmly believe [completely agree (choose an appropriate phrase)] that restate the opinion. This is due to the fact the one point. Also, second point. After analyzing the subject, it has become quite evident that [give recommendation or opinion]. e.g: people should blabla

## Discuss and opinion

*Rephrase of the background phrase. Background phrase.* The debate over this question (topic) seems to consist of two irreconcilable camps (seems to be never-ending). Both sides of the argument will be analyzed before a logical conclusion is drawn and my own perspective is given.

From one point of view, first position. In the first place, first point. Supporting sentences. Second point. Supporting sentences.

From another perspective, second position. First point. Supporting sentences. Second point. Supporting sentences.

In conclusion, there are merits to both sides of the argument over whether point one or point two (*there are a number of advantages and disadvantages in regard to ...*). However, after analyzing the issue, my personal view is that opinion in favor of one side. This is because explanation.

## Causes / solution

*Rephrase of the background phrase. Background phrase.* There are several reasons why these issues (this issue) arise (has arisen), and various measures can be taken by X to improve the situation. This essay will discuss root causes of the above-mentioned problem(s) and will suggest some solutions to them (it).

The problem has been (can be) caused by a number of factors. The main explanation is that first point. Supporting sentence. Another reason why the situation has deteriorated (can deteriorate) is that another point. Supporting sentence.

However, the problem can be solved. The best way to do this would be to first point. Supporting sentences. Likewise, another point. Supporting sentences.

In conclusion, my opinion is that restate the problem. After analyzing the subject, it has become quite evident that the best approach to tackle the problem(s) is to the first measure. Also, the second measure. Although the issue is (the issues are) unlikely to be entirely eliminated in the short term, these are concrete steps which can be taken (suggestions which can be followed) to reduce the effects it is (they are) having on who. (e.g. society).

## Problems (real & potential) and solutions

*Rephrase of the background phrase. Background phrase.* There are a number of considerable dangers with regard to this matter, and various measures can be taken by who to improve the situation (*to avoid the hazards*). This essay will discuss negative aspects of the topic and will suggest some solutions to address the problem(s) (*will suggest several ways to prevent related problems from occurring*).

There are several apparent complications resulting from the topic. The most critical concern is that first point. Supporting sentences. Another matter is that second point. Supporting sentences.

However, the problem(s) can be solved (*the dangers can be avoided*). The best way to do this would be to first point. Supporting sentences. Likewise, another point. Supporting sentences.

In conclusion, my opinion is that the topic has had (*can have*) an adverse effect on what or who due to summarize the points. After analyzing the subject, it has become quite evident that the best approach to deal with the problem(s) (*the potential problem(s)*) related to the topic is to do what and by who. Although it is impossible to avoid the hazards completely, these are concrete steps that can be taken (suggestions which can be followed) to reduce the negative aspects of something.

## Effects essays

*Intro...* and will discuss the implications (will discuss the hazards) of the topic (*e.g neglecting history*) ...

*Body...* the effects of this have been and will continue to be immensely serious (can be immensely serious)

*Conclusion...* whereas (neglecting history) may result in ... Given this situation, it is recommended that...
